Course title: Spanish Language: Grammatical and Linguistic Theories
Course code: MCSP0931
Type of course: compulsory
Level of course: MA
Year of study: 2nd
Semester: 3rd
Number of ECTS credits allocated: 7
Name of the lecturer: Silvia – Maria Chireac
Obiectivul cursului: Strengthen students' previously acquired grammatical and linguistic knowledge through the analysis of the key-problems in the field. Discussion on conceptual differentiations, the study of the main theories. These differentiations include: (i) the meaning and referent, (ii) denotation and connotation (iii) hyponymy, synonymy and antonymy (iv) inference, implication and presupposition (v) statement, sentence and enunciation.

Course contents: Practice the revised notions through linguistic analyses of various texts, apply the syntactic, semantic and pragmatic knowledge to text analyses or translations, and analyze texts from the grammatical and linguistic viewpoints.
