

Faculty of Physics

Italia-Romania bi-lateral project Workshop (29 October – 1 November 2013)

Coordinator: prof. dr. Liliana Mitoseriu

29.10.2013

10.00-12.30 Young researchers and PhD students presentations (I), Laboratory of Dielectrics

14.00-16.00 Tutorial lecture: *“Solid-state synthesis of dielectric and ferroelectric oxides”*, **dr. Vincenzo Buscaglia, Institute of Energetics and Interphases IENI-CNR, Genoa, Italy**, Room Ferdinand

30.10.2013

9.30-12.00 Young researchers and PhD students presentations (II), Laboratory of Dielectrics

01.11.2013

9.00-10.30: Dielectrics, ferroelectrics and multiferroics Group seminar. Presentation: *Thermoelectric perovskites: new trends, materials and approaches*, **dr. Vincenzo Buscaglia, Institute of Energetics and Interphases IENI-CNR, Genoa, Italy**, Lab. of Dielectrics

10.30-11.30 Visit to the Faculty of Physics laboratories
