## LANGUAGE REQUIREMENTS

**Admission to studies in Romanian** is conditioned by providing a Romanian **Language Certificate**.

- Candidates who can prove that they have attended at least 4 years of study in Romanian do not need such a certificate. If a candidate speaks Romanian but does not hold a Romanian Language Certificate, he/she must obtain it following a language test at the Department of Romanian for Foreign Students.
- If a candidate does not speak Romanian, he/she must attend the courses of the **Preparatory Year (2 semesters)**. During the first semester, international students will study Romanian language for

the levels A1-A2. In the second semester, they will continue studying Romanian at an advanced level, focusing on the vocabulary specific to the subject areas chosen by the candidate (Medicine, Sciences, Economy, Law, Humanities). The purpose of the specialized language acquisition module is that of reaching levels B1-B2 by the end of the Preparatory Year.

Should candidates wish to study in a foreign language, they can choose from the list of degrees at Bachelor or Master level that are taught in English, French etc. (please refer to the English version of the university website <http://www.uaic.ro/en/studies/degrees-on-offer-in-english-and-french/>).

Passing a linguistic proficiency exam is compulsory for the **admission to studies in foreign languages**.

- Candidates' language certificates submitted to their application files are assessed by the respective Faculty Admission Board. Students who come from countries with the same official language as the one of their chosen study programme or those who provide an internationally recognized certificate of linguistic proficiency equivalent to CEFR level B2 – Upper-Intermediate (e.g. TOEFL, Cambridge, IELTS, DELF B2) do not need to take the linguistic proficiency exam.
