You may also want to visit the beautiful **sites around the city** (**CIRIC** lake and forest; **BIRNOVA**, **BUCIUM** and **POIENI** forests).

But most of all, make sure to take a trip to the famous chain of **monasteries in Northern Moldavia**. Most of them are painted monasteries dating back to the 15th – 16th centuries. To give just a few examples:

- ✓ the Monastery of **VORONET** is unique in the world due to the mysterious origin of its deep-blue colour and to the painting of the “Last Judgment” on its western exterior wall;
- ✓ the Monastery of **PUTNA** has a powerful symbolical meaning for the Romanian people because it was built by the most famous Moldavian ruler, Stefan cel Mare (Stephen the Great), whose grave is also at Putna;
- ✓ the Monasteries of **SUCEVITA**, **MOLDOVITA**, **DRAGOMIRNA**, **ARBORE**, **BISTRITA**, **AGAPIA**, **VARATEC** and many others are all beautifully-painted unique monuments of art and religion.
