Healthy Campus Jena: The scope of health - on every level

- **Healthy Campus: Students' survey**
- **Healthy Campus: University staff survey**
- **Implementation of interventions and offers to students & staff**
- **Evaluation of interventions**
- **Integration & Transfer**

→ *communication, participation, motivation*

Relevance: legal requirements + hazards + health status

Culture of Health: „Healthy Campus“ FSU Jena

Occupational Health Management (BGM) & Student Health Management (SGM)

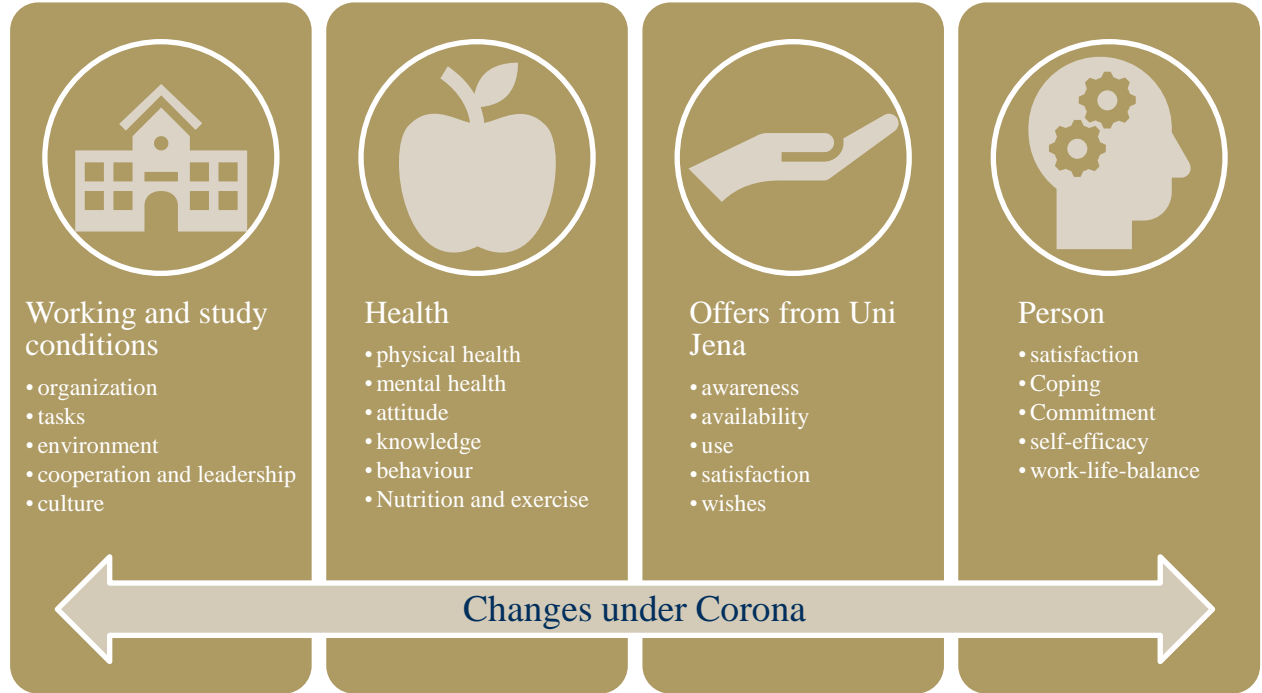

Individuals: Students and Employees at FSU Jena

Goal: Integration of mental and physical health within all actions of Uni Jena (working, learning, teaching, researching) for ALL members (scientific, non-scientific staff AND students) into *University Health Management (Healthy Campus)*

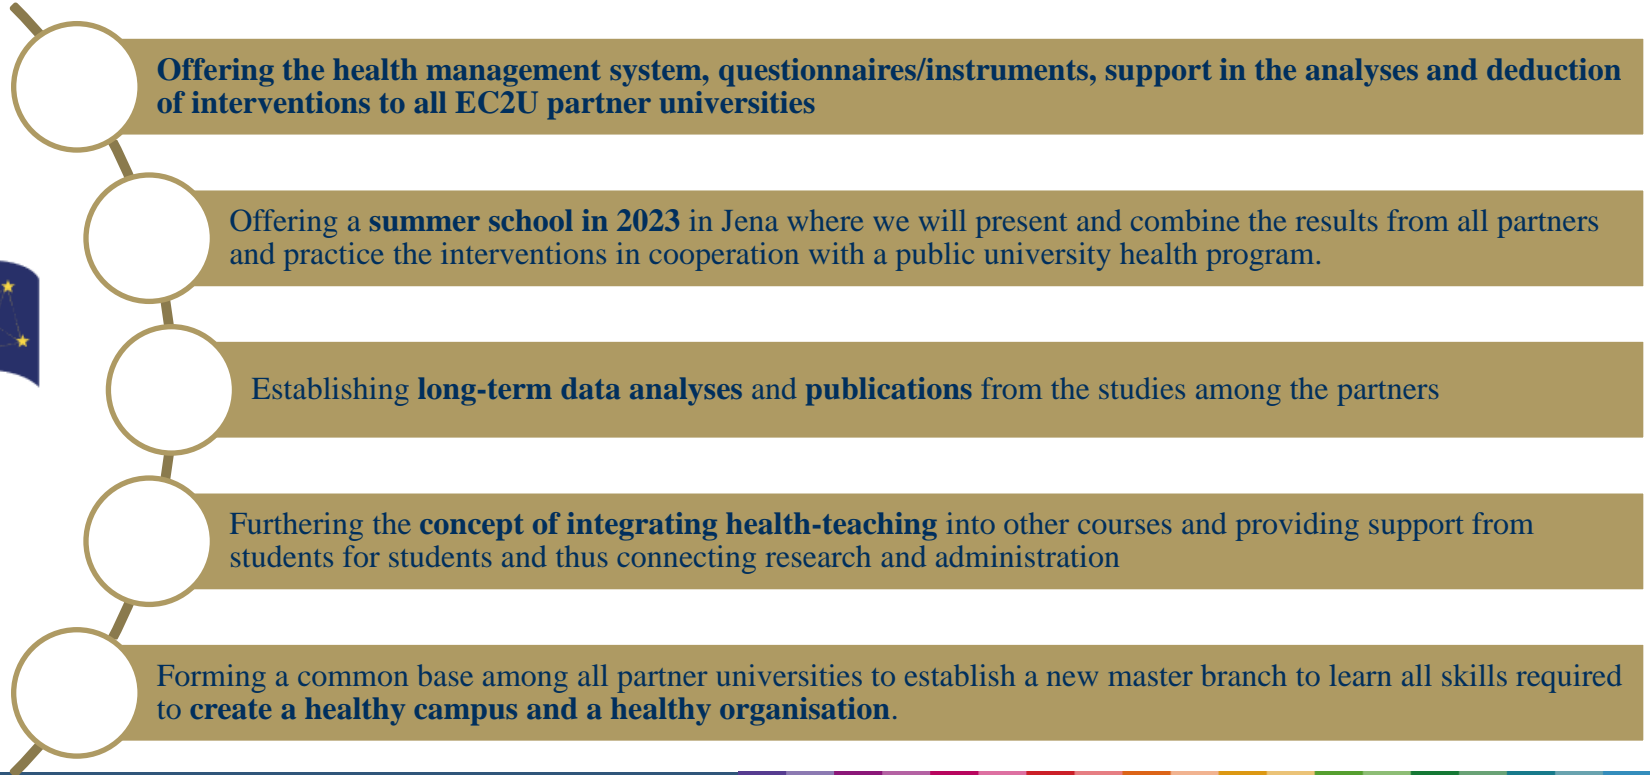

Healthy Campus Jena: contents

Two Questionnaires

- After qualitative needs assessment
- Students
- Employees (academic and non-academic)
- approx. 600 items each
- adaptive
- Do include the mental health risk assessment → all organizational influences on mental health

Outlook - what is yet to come: **Relationship to GLADE**

We invite you to join in!

We will have a online half-day conference for all groups interested on **23th June**
