

Listă de lucrări

- **T. Precupanu, M. Apetrii** - *About $-\varepsilon$ monotonicity of an operator*, An. Ştiinţ. Univ. Al. I. Cuza Iaşi Math, 52 (2006), 81-94.
- **M. Apetrii** - *A new type of convexity defined by dual perturbations*, An. Univ. De Vest Timişoara, seria Matematică Informatică, 45(2007), 11-20.
- **M. Apetrii** - *A dual generalization of convex functions*, Revue d'Analyse Numerique et de Theorie de l'Approximation, 36 (2007), 25-38.
- **M. Apetrii** - *Differentiable M -convex functions and M -monotone mappings*, An. Ştiinţ. Univ. Al. I. Cuza Iaşi Math, LIII(2007),331-350.
- **M. Apetrii** - *A dual generalization of monotone mappings*, Proceedings of the 6th Congress of Romanian Mathematicians (2007), Editura Academiei, Bucuresti, 313-319.
- **M. Apetrii** - *Topological spaces ordered by fuzzy cones*, Proceedings of the 11th International Conference on Fuzzy Systems FS10(2010), 256-261.
- **M. Apetrii, M. Durea, R. Strugariu**, *On subregularity properties of set-valued mappings. Applications to solid vector optimization*, Set-Valued and Variational Analysis, 21 (2013), 93-126.
- **M. Apetrii, M. Durea, R. Strugariu**, *A new penalization tool in scalar and vector optimizations*, Nonlinear Analysis: Theory, Methods and Applications, 107 (2014), 22-33.
- **Marius Apetrii, M.-H. Matcovschi, O. Pastravanu, E. Rotenstein**, *Invariance for stochastic differential systems with time-dependent constraining sets*, Acta Math. Sin., English Series, 31 (2015), 1171-1188.
- **Marius Apetrii, M.-H. Matcovschi, O. Pastravanu, M. Voicu**, *Invariant sets with arbitrary convex shapes in linear system dynamics*, Romanian Journal Of Information Science And Technology, Volume 24, Number 4, 2021, 402 - 417.
- **Marius Apetrii, M.-H. Matcovschi, O. Pastravanu, M. Voicu**, *Minkowski and Lyapunov Functions in Contractive Sets Characterization for Discrete-Time Linear Systems*, Romanian Journal Of Information Science And Technology, 25th International Conference on System Theory, Control and Computing (ICSTCC), 2021.
