## Reporting Analyst (Erasmus+ traineeship in Business Administration)

**Location:** Bratislava, Slovakia

**Start:** June 2018

**Duration:** 5 months minimum

**Working language:** English

**This internship is a part of the Placement Slovakia program. All applying candidates have to be confirmed to receive an Erasmus+ learning agreement by their education institution covering the whole internship period.**

### Company profile:

This traineeship is in a reputable international software company registered in England, in one of its branches located in Bratislava. Their business remains developing browser based business systems that handle complex work flows with ease while providing financial and non-financial data security and data privacy by design. The company has over 10 years of experience in delivering browser based accounting software. The branch in Bratislava has up to 10 people international team.

### Position description:

The Reporting Analyst will work as part of the Reporting and Surveys team in the Business Intelligence and Reporting portfolio on an initiative to deliver strategic and management reporting solutions across a range of domains including research, HR, employees, performance and finance.

The incumbent will play a lead role in a program of work aimed at standardising and consolidating existing reports and developing a suite of standard reports to be delivered to an agreed reporting schedule, in consultation with business stakeholders. This includes working with stakeholders to confirm scope, drafting documentation including functional requirements, identifying and tracking metrics, and providing technical solutions and prototypes.

This position is responsible for providing expert advice around reporting and to support the design and delivery of key streams of work. This role will involve working concurrently across multiple domain streams in the initiative, stakeholder engagement, assisting with risks and issues and business documentation. The incumbent will also engage with the Associate Director Data Quality on matters related to data governance and the business glossary.

### Qualifications:

- Higher education student or graduate in Business administration field
- Excellent English written/spoken
- Ability to work as a team member
- Ability to work creatively and analytically in a problem-solving environment
- Desire to work in an information systems environment
- Flexibility

### Knowledge and skills the trainee can learn during the internship:

This traineeship is an excellent opportunity for starting the professional Business administration carrier at an international level.

### Benefits:

- Possibility of full-time job after successful completion of internship,
- Free accommodation provided;
- Lunch meal vouchers, Bratislava buss pass
- Standard support by our team. For more information check our website [www.placementslovakia.com](http://www.placementslovakia.com)

**Interested candidates please apply by submitting [an online application form](#) at [placementslovakia.com](http://placementslovakia.com)**

**We look forward to hearing from you!**

## Executive Assistant (Erasmus+ traineeship in Business administration)

**Location:** Bratislava

**Start:** June 2018

**Duration:** 5 months minimum

**Working language:** English

**This internship is a part of the Placement Slovakia program. All applying candidates have to be confirmed to receive an Erasmus+ learning agreement by their education institution covering the whole internship period.**

### Company profile:

This traineeship is in a reputable international software company registered in England, in one of its branches located in Bratislava. Their business remains developing browser based business systems that handle complex work flows with ease while providing financial and non-financial data security and data privacy by design. The company has over 10 years of experience in delivering browser based accounting software. The branch in Bratislava has up to 10 people international team.

### Position description:

The Executive Assistant performs administrative duties for the CEO, Sales Director and Financial Accountant. Responsibilities will include screening and documenting calls, managing calendars, making travel, meeting and event arrangements, preparing reports and financial data, training and supervising other support staff, and customer relations. This position requires strong computer and Internet research skills, flexibility, excellent interpersonal skills, project coordination experience, and the ability to work well with all levels of internal management and staff, outside clients and vendors. Sensitivity to confidential matters is required. You will attend meetings both internal and external, and be the CEO's 'right arm' in planning, documenting and following up after each meeting.

### Qualifications:

- Higher education student or graduate in Business administration field
- Friendly, confident and professional individual who has secretarial or administrative experience with proven organisational ability.
- Excellent organisation and communication skills, and must take pride in the presentation and accuracy of their work.
- Pro-active with a high degree of initiative and ability to multi-task and remain calm under pressure.
- Fully competent in using a wide variety of software packages.
- Experience of implementing and maintaining procedures and administrative systems.

### Knowledge and skills the trainee can learn during the internship:

This traineeship is an excellent opportunity for starting the professional carrier in business administration at international level.

### Benefits:
