Testimonials

Siret SALM (ESTONIA)

I had a wonderful time here in Iași and I appreciate the experience very much! Everything was very well organized!

Suur aitäh! (Thank you)

Jochen SCHMIDT (Germany)

I've been to Romania a couple of times and I must say that Iași was the most special of them all. It was very interesting for me to find here such a large university, with a visible tradition and an impressive prestige.

It is difficult to explain to the others why they should study Romanian. But anyone who has started studying would immediately understand why.

Željka VASIĆ (Slovenia)

I am surprised that I learnt so much in such a short time. I will always remember the time I spent in Iași. I am sure that I will return to Iași soon.
